

# Designated Smoking Areas

We're so happy you're back! For the health and safety of all guests and team members, please note our guidelines regarding smoking in public places.

- During initial opening, smoking will not be permitted indoors. Guests will be able to smoke in approved outdoor smoking areas
- After returning from smoking, guests will be asked to use hand sanitizer
- For the safety of everyone, team members have been asked not to provide services to guests who are presently smoking
