Golf Grounds & Maintenance

Meet Team Member Dave Wetzel

Meet Dave, our Assistant Golf Course Superintendent who brings over 30 years of experience to our team. He has a true passion for the sport, but his admiration extends far beyond the greens. Dave is inspired by his mother and loves playing the challenging 9th hole at Mohegan Sun Golf Club, where he's always up for a par or even a rare birdie. When he's not working hard to maintain our course, he's cheering on his favorite sports team, the New Orleans Saints, and getting excited for the Open Championship, especially when

discussing his favorite player, the iconic Payne Stewart. Dave's dedication to golf is matched only by his love for life's simple pleasures like enjoying a delicious burger at Pautipaug Pub, fishing, and spending time with his beloved lab. We're grateful to have such a well-rounded and passionate team member on board.

Golf Course Improvements

Holes 3 and 12 are set to reopen in June, and throughout the season, we'll be continuously reconstructing bunkers on holes 1, 2, 4, 5, 8, 10, 16, and 18. We're also planning major renovations for holes 6 and 7 in fall 2023, which will be completed by early in the golfing season of 2024. Our aim is to enhance the golf course, maintenance standards, and overall golf experiences for all, regardless of skill level. In addition to course improvements, we'll also be making other capital investments to support our team's ability to deliver overall business performance goals.

Meet Team Member Lisa Melkoun

Lisa, a graduate of the University of RI with a BS in Textile Marketing, joined our management team at the golf club in 2017 after beginning her career with Mohegan Sun as a Merchandise Manager in the Retail Department in 2003. Lisa has an impressive retail background, having travelled to both Europe and Asia sourcing and developing numerous products before joining Mohegan Sun. In this interview, Lisa shares her experiences at the golf club, including her favorite events like the Mohegan Sun Invitational and the ECHO Foundation Tournament, as well as her favorite

item on the Pautipaug Pub menu, the Tuscan Chicken Sandwich. Though not a golfer herself, Lisa enjoys the challenges and responsibilities her role brings, as well as the beautiful views of the golf course. Lisa's hobbies include travel, history, cooking, reading, and, of course, shopping.

We have the best burgers... period

Mohegan Sun Golf Club is proud to offer a wide variety of delicious menu options, but we have to say, our burgers are the best. With fresh ingredients and expertly crafted flavor combinations, our burgers are a must-try for any golf enthusiast. We are thrilled to invite you to come and taste our selection of fantastic burgers and experience the mouthwatering flavors for yourself.
